ECO FUNCTION:
change of air with minimum
consumption and maximum
silence.

AS SILENT AND PRECIOUS
AS PURE AIR

Onyx-T is the quietest of all T-Shape hoods and guaranteed to surprise which allows an ultra silent mode. The hood's stylish design conceals FABER's exclusive SIL & STILL technology which allows functioning in ultra-silent mode at a sound level of less than 40 dB(A). Maximum comfort, minimum energy consumption and complete freedom to enjoy your home thanks to a special function that continuously exchanges air. This Eco function switches off automatically after 24 hours. What more can we say? Faber technology leaves you speechless!
